

GETON CONTAINERS

Australian manufacturer of 50kW mobile energy storage containers

Overview

Why should you choose a container energy storage system?

Housed in durable shipping containers, our systems are engineered to meet the growing demand for renewable integration, backup power, and off-grid energy supply. Why Choose a Container Energy Storage System?

All-in-One Power Solution – Integrated battery storage, inverter systems, and control units in one secure container.

What is a containerised battery unit?

Containerised Battery Units: Built into secure, weather-resistant containers, these BESS systems are engineered for high-capacity, industrial-scale power storage. Perfect for construction, mining, or backup for critical infrastructure, containerised solutions are scalable and robust, suitable for long-term and remote applications.

What is Powerplus energy?

PowerPlus Energy has you covered. Our all-weather suited systems are made with readily accessible components and can be mixed and matched to suit specific project requirements. Perfect for those who want an Australian-made BESS with Australian components. Designed for large domestic, commercial, industrial, and utility scale projects.
