

# **BESS Portable Power Supply Company in Surabaya Indonesia**

## Overview

---

Who is PT modular energy Indonesia?

We provide innovative system integration for BESS, PCS, and Advanced UPS. PT Modular Energy Indonesia specializes in integration of innovative energy storage solutions, focusing on battery energy storage system (BESS) and power conversion systems (PCS). BESS Indonesia system integrator.

What is a Bess energy storage system?

We offer energy storage systems of 50kWh~1MWh, used for commercial and industrial applications. BESS provides a wide range of technical, economic, and environmental benefits, making it a key enabler of the transition to a cleaner, more resilient, and efficient energy system. Max. Charge/Discharge Rate The project began in Ontario, Canada in 2020.

What is Bess & PCs?

We provide integrated system of Battery Energy Storage System (BESS), Power Conversion System (PCS), and Advanced UPS solutions tailored for your specific needs. We ensure seamless integration of all BESS & PCS components with the existing infrastructure.

What is battery energy storage system (BESS)?

Battery Energy Storage System (BESS) is an electrochemical device that stores energy from the power grid or renewable sources like solar and wind. This energy can be utilized during critical periods to support operations or act as a backup power source. Key advantages include:
