Is bougeRV a dependable solar power station?

As power outages are becoming more and more rampant around the world, the demand for dependable power stations is increasing. We're seeing a surge of new brands in the market trying to meet the demand for solar power stations. And, BougeRV is one of such new names.

Is bougeRV a good power station?

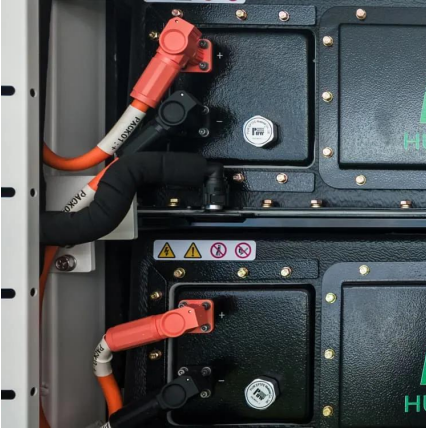

We appreciate the build-quality and newer-generation battery cell technology. However, the battery capacity was unreliable and widely inconsistent. Also, the solar charging speed was underwhelming. Apart from the review, we'll also compare the BougeRV power station with some of the big names in the market, such as Bluetti, EcoFlow, or Jackery.

Who is BougeRV?

BougeRV was founded by a group of outdoor mobile adventurers. BougeRV is an outdoor mobile adventure company that empowers RVers and off-grid adventurers to live with the outdoor freedom they crave. The name Bouge comes from the French verb bouger which means to move.
