

Camping power station factory in Cape-Town

Overview

Where can I buy a Jackery portable power station in South Africa?

Jackery portable power stations have been available in South Africa since 2020 and can be purchased on our website or through one of our many retail partners including Outdoor Warehouse and Cape Union Mart. LIGHTWEIGHT, LITHIUM POWER The Jackery Explorer series is designed to provide power outdoors.

How will Polarium power the South African energy grid?

The factory will be powered by a combination of solar power and Polarium's energy storage solutions, making it a net-positive contributor to the South African energy grid. More than 200 people will be directly employed in the factory, with additional job opportunities created for subcontractors.

Does ATC Africa have a lithium-ion battery plant?

With a yearly production potential of more than 300,000 batteries, the facility further increases Polarium's presence in sub-Saharan Africa. ATC Africa signed a multimillion-dollar lithium-ion battery bulk purchase agreement with Polarium in 2021, securing thousands of lithium-powered backup solutions for ATC Africa's markets over the coming years.

What is Jackery portable power station?

Designed to give you reliable, easy-to use, portable power wherever you need it from exploring and camping to power outages. Jackery specializes in providing outdoor green power solutions for the explorers. Jackery is the market leader in the portable power station sector and sells more than 500 000 units annually.
