# **China high voltage switchgear in Brisbane**

## Overview

---

What is a Doho HV switchgear?

DOHO HV switchgear products are designed for installation in locations with high voltage systems such power transmission and distribution. We are among the preferred high and low voltage switchgear companies by electrical businesses around the world, with clients from more than 60 countries and growing.

Does Bovara sell switchgear?

The company is an electricity distributor in Queensland, indicating their involvement in the electrical infrastructure that may include switchgear. Bovara is a prominent manufacturer of electrical equipment in Australia, offering a wide range of products including Load Break Switches.

Who is Doho electrical equipment & switchgear?

DOHO is one of the top electrical equipment and switchgear companies in the world, specializing in the production of low-voltage and medium-voltage switchgear as well as key components such as circuit breakers, relays, contactors, and protectors.

What is switchgear & how does it work?

Switchgear protects electrical equipment and circuits from damage caused by overcurrent, voltage spikes and other faults in the system. Our goal at DOHO is to be complete solutions provider for all your switchgear product needs.
