

Distributed energy storage solar container lithium battery installation in Zurich Switzerland

Overview

Who is lithium system?

LiTHiUM System, formerly LiTHiUM Storage GmbH, headquartered in Illnau, Switzerland, has been supplying customers throughout Europe with high-quality lithium iron phosphate (LiFePO₄) batteries since 2010. As one of the first in Europe we have added NMC cells with a high energy density to our assortment.

What is LZY solar storage?

LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere.

What is a lithium battery storage & energy management system?

With our upcycled lithium battery storage & energy management system, you can leverage the power of renewables to mitigate costs and decarbonize your business. Our BMS-certified, fire-protected commercial energy storage systems help energy-intensive sectors like agriculture, logistics, recycling and manufacturing meet their ESG commitments.

Who is LZY energy storage?

Founded in 2012 Shanghai LZY Energy Storage Co., Ltd., based in Shanghai, China, is a comprehensive enterprise integrating R&D, production, and sales, specializing in industrial manufacturing and energy storage solutions. LZY container specializes in foldable PV container systems, combining R&D, smart manufacturing, and global sales.
