

Dushanbe energy storage fire equipment manufacturer

Overview

Who is Shanghai Zee energy storage technology?

Shanghai ZOE Energy Storage Technology Co., Ltd., established in 2022, is dedicated to providing global users with safe, efficient, and intelligent energy storage product system solutions. The company is headquartered in Shanghai, with its R&D center in C.

Why should you choose Shanghai Zee energy storage technology?

This enhances automation, intelligence, and flexibility in production, ensuring the highest standards of safety and quality in our products Shanghai ZOE Energy Storage Technology Co., Ltd., established in 2022, is dedicated to providing global users with safe, efficient, and intelligent energy storage product system solutions.

What is the largest energy storage project in China?

In 2019, the NFPA standard energy storage project (652MW) provided the largest single ESS project at that time In 2021, an EN standard energy storage project (1.3GW) was provided, which was the largest single ESS project at the time In 2021, won the Best Fire Safety Solution Award in China's Energy Storage Industry
