

**GETON CONTAINERS**

# **Factory price 24 kw inverter in Cambodia**

## Overview

---

What is a 6kW off-grid solar inverter?

Fast and easy data checking. This 6kW off-grid solar inverter integrates an inverter, MPPT solar charger, and battery charger. 90VDC-500VDC PV voltage input range allows you to configure the system based on your needs. It enables parameter adjustment via LCD screen and can expand 12 units in parallel for higher power demand. .

What is a hybrid solar inverter?

The hybrid solar inverter is a multifunctional device that combines solar energy systems, AC power and battery power to continuously power electrical equipment.

Are hybrid solar inverters suitable for off-grid system?

As one of the leading hybrid solar inverter suppliers in China, Anern has independently developed a variety of hybrid solar inverters with different performances, which is suitable for off-grid system and on-grid system.

What is a 10kW off grid solar inverter?

This 10kW off grid solar inverter integrates an inverter, MPPT solar charger, and battery charger. With 90VDC-280VDC PV voltage input range, it allows you to configure the system based on your needs. It enables parameter adjustment and charge priority mode setting via LCD screen and can expand 6 units in parallel for higher power demand.
