# Huawei Damascus Mobile Energy Storage Power Supply

## Overview

---

What is Huawei site power facility?

Huawei Site Power Facility offers energy-efficient, low-carbon power supply solutions, enabling carriers to build environmentally sustainable, resilient networks for modern telecommunications infrastructure.

What is a Huawei outdoor power system?

The ultra-lean structure enables 1 blade per site while keeping reliability, helping cut TCO and carbon emissions. Huawei outdoor power solutions are designed for carrier ICT sites. The all-in-one system supports multiple input (grid/PV/genset) and output (12/24/48/57 V DC, 24/36/220 V AC) modes.

What are Huawei central office power solutions?

Huawei central office (CO) power solutions are used in new or reconstructed access/aggregation/core equipment rooms. The unique CO-eMIMO facilitates capacity expansion with low cost and little construction workload. PV systems can be deployed to further reduce the levelized cost of energy (LCOE).

Does Huawei support tower companies in Africa?

At the TowerXchange Meetup Africa 2024, Huawei has announced its commitment to support Tower Companies (TowerCos) across Africa in their efforts to diversify energy sources and adopt sustainable practices in powering telecommunications infrastructure.

## Huawei Damascus Mobile Energy Storage Power Supply
