

GETON CONTAINERS

Installation Solution for a 100kWh Mobile Energy Storage Container

Overview

What is a containerized battery energy storage system?

Our's Containerized Battery Energy Storage Systems (BESS) offer a streamlined, modular approach to energy storage. Packaged in ISO-certified containers, our Containerized BESS are quickly deployable, reducing installation time and minimizing disruption.

How safe is Huijue's containerized battery system?

Safety is a top priority for Huijue's Containerized BESS. The containers are constructed to meet rigorous safety standards, and the battery systems incorporate multiple layers of protection, including thermal management, fire suppression, and overcharge/overdischarge prevention.

What are Huijue containers?

Packaged in ISO-certified containers, our Containerized BESS are quickly deployable, reducing installation time and minimizing disruption. Huijue's containers are designed for durability and efficiency, integrating advanced battery technology with smart management systems.
