

Island lighting solar lights

Overview

What is Island lighting?

Whether you are looking for a bold focal point to add style and luxury to a room, or simply wish to improve its lighting, island lighting is a versatile solution that can transform any space.

How do Island lighting fixtures work?

The multiple linear suspended pendants of an island lighting fixture can spread a wealth of light throughout your room or emit a radiant atmospheric glow depending on your preference.

What is Artcraft Island lighting?

The extensive and diverse range of ARTCRAFT island lighting includes everything from traditional rustic to ultra modern styles. Originally designed as a kitchen lighting solution, but equally suited to a dining room, hallway or bar, our island lighting fixtures are versatile and visually stunning.

Does Lowe's sell solar lights?

Tap into the power of the sun and illuminate your porch, patio, yard and other outdoor areas with outdoor solar lights from Lowe's. We carry a range of energy-efficient options to light up various areas of your outdoor space.
