

Majuro Glass solar Sun Room

Overview

What is solar glass?

Mainly engaged in high-quality, high-tech glass deep processing, the products include photoelectric touch glass (monitor front and rear panels and touch screen glass), home appliance glass, photovoltaic glass, and high-end home decoration glass. Solar glass is a glass material that integrates the function of solar power generation.

What makes Almaden solar glass unique?

Almaden is recognized for its technological innovation in solar glass coating. As a leading manufacturer in the photovoltaic glass industry, Almaden's anti-reflective coating solar glass has positioned the company at the forefront of the market.

Who is Luoyang Glass?

Luoyang Glass Co., Ltd. specializes in producing and selling new energy glass and other advanced glass materials. The company has developed a robust portfolio of photovoltaic glass products, including double-glass components and high-transparency tempered sheets for solar cell packaging.
