

# **Manufacturer of 20-foot folding containers for islands**

## Overview

---

Who makes the best folding container house?

Highly recommend for any construction site. We offer you the BEST folding container house for your needs. HSA is the leading global manufacturer of container house that combine R&D, manufacturer, sales, and service for folding residential containers, folding mobile rooms, folding mobile containers and folding site containers.

Why should you choose a foldable container?

The foldable container is movable with crane or forklift hence better accessibility. Installation and dismantling is also very fast and can be constructed within 25 minutes. The insulation material use to construct the container also provide good sound and heat insulation.

Can a foldable container be used as a prefabricated building?

Using A foldable container as a Prefabricated Building for temporary site office/accommodation has a huge advantage of convenience and space saving. Compared with normal site office construction, there is cost saving for time, labor, transportation and warehousing convenience.

Why should you buy a HSA folding container house?

Customers from across the globe are extolling the virtues of HSA's folding container houses. " I appreciate the innovation and design that HSA puts into their products. The folding residential container is compact, easy to set up, and incredibly functional. "Purchased several folding residential containers for a housing project.
