

GETON CONTAINERS

# N Djamena power frequency inverter manufacturer

## Overview

---

Who is China inverter manufacturer?

We are a manufacturer headquartered in Shanghai, with 4 factories, dedicated to the production of inverters, servos and various drives. We have a rich history of development, and gradually grow and become the leading enterprise in China's inverter industry.

What's new in zoncn T200 series inverter?

Recently, ZONCN Technology's new small and powerful inverter T200 series has officially entered production, which means that ZONCN Technology's frequency inverters research and development level has entered a new level. T200 series inverter provide a compact AC drive that combines easy operation . Released next year!.

What is frequency inverter?

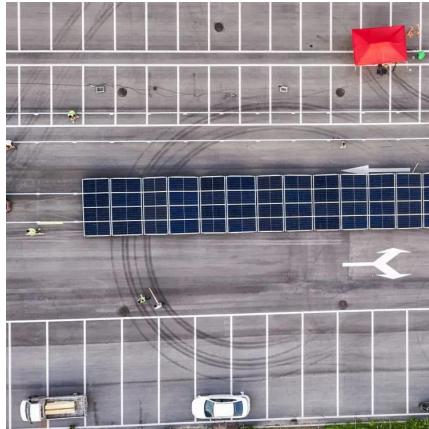

Frequency inverter is a product we developed on year of 2003, which is used for speed control on motor-driven system. As a result of its high quality and competitive price, we have won a good reputation in the market. On the year of 2013, we developed a very new product-desktop .

How many employees are there in a high voltage inverter base?

With the registered capital of USD 30 million, the base has the floor area of 51,000m<sup>2</sup> and the plant area of 21,800m<sup>2</sup>. At present, the base has 123 employees and the annual production capacity of high voltage inverter of 600 sets.
