# Seventh-level power station generator

## Seventh-level power station generator

[What place did she finish \(in\) in the race \(in\)?](#)

In AE at least, you say "she same in seventh." To say "she came seventh" sounds like the plot of an adult film. So the corresponding question would be What place did she come ...

[Free Quote](#)

[The flat was seven flights up.](#)

EX) The flat was seven flights up, and Winston, who was thirty-nine and had a varicose ulcer above his right ankle, went slowly, resting several times on the way. I have a ...

[Preposition: in the street, on the street, at the street?](#)

For example, we say I met him in London but I met him at Heathrow Airport. London is a huge geographical area where as the airport is a particular place though it has a mass ...

[Free Quote](#)

**January 7 or January 7th**

The same goes for British English where you can have 7 January or 7th January (pronounced "the seventh of January") In business letters the forms without 'th' seem to be ...

[in seventh grade / in the seventh grade](#)

"seventh grade" is the label for that grouping. I don't think of it as if counting grades and this is the seventh grade to be counted, so to my non-US ears "the seventh grade" ...

[in/on/at the ground floor , WordReference Forums](#)

[in/on the early morning of May 5 , WordReference Forums](#)

Thank you for your help. So if morning was combined with a date, it is still better to use on, right? > On the morning of May fifth. (Not sixth or seventh)

[Free Quote](#)

**Numbering the arts**

Yes and no. While it's true you won't hear very often things like "he's a master of the fifth art" (because not many people know for sure which is which), you can find in many ...

[Free Quote](#)

Hi, I want to tell my friend come to ground floor where I am waiting. Which is correct I am in/at/on the ground floor Likewise someone is asking me where is carina Which is ...

[Free Quote](#)

[moving at speeds of up to three times 10 to the seventh ...](#)

Yes: " three times 10 to the power of 7 " meters per second. (not "three times 10 to the power of "7 meters per second"!) "Ten to the seventh" is a short version of ten to the power ...
