

# **Solar container energy storage system integrator IPO**

## Overview

---

Will Hithium IPO on Hong Kong stock exchange?

Chinese battery energy storage maker and system integrator Hithium has filed for an initial public offering (IPO) on the Hong Kong Stock Exchange. The company, headquartered in Xiamen, plans a main board listing with Huatai International, CITIC Securities, ABC International, and BOC International acting as joint sponsors.

Will Xu Yingtong's 'SIG new energy' go public in Hong Kong?

Xu Yingtong's "Sig New Energy" has submitted an IPO prospectus and plans to go public in Hong Kong, being the Global number one provider of stackable distributed solar storage integration solutions.

Is Sigenergy the world's number one provider of stackable Solar Storage Solutions?

According to the Frost & Sullivan report, two years after its establishment, Sigenergy has become the world's number one provider of stackable distributed solar storage integration solutions based on product shipment volume, with a market share of 24.3% for the first nine months of 2024.

Why should energy storage firms invest in Hong Kong?

Hong Kong is emerging as a critical avenue for energy storage firms to diversify financing and accelerate global strategies amidst tighter rules on mainland Chinese exchanges, as we wrote in an ESN Premium piece looking at the growing broader trend. Sungrow's move is a part of.
