

**GETON CONTAINERS**

# **Solar container lithium battery components for energy storage in Chiang Mai Thailand**

## Overview

---

Who is the authorized distributor for Northern Thailand?

DYNES has appointed Oelmaier Technology Co. Ltd. (Chiang Mai Solar) as their authorized distributor for Northern Thailand, effective from the 5th of March 2021.

What is LZY solar storage?

LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere.

Why should you choose a solar storage container?

Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy. Lower energy/maintenance costs ensure operational savings.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.
