

Solar solar container energy storage system in Zurich Switzerland

Overview

What is solar & storage live Zurich 2026?

After the great success of Solar & Storage Live Zurich 2025, we are delighted to invite you to join us again in 2026 – as we continue driving the transition towards a brighter, greener future! Our mission is to accelerate the adoption of solar energy propelling us towards a global landscape powered by clean, renewable energy sources.

When is solar & storage live?

The Solar & Storage Live will take place on 2 days from Wednesday, 16. September to Thursday, 17. September 2026 in Zurich. 16. - 17. September 2025 17. - 18. September 2024 Product groups: advertising, photovoltaic systems, photovoltaic technology, renewable energy, solar energy, solar modules, solar technology, .

Why should you choose a solar storage container?

Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy. Lower energy/maintenance costs ensure operational savings.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.
